DATE: July 1, 2025
RE: Request for Testimony from the CCRC / Mediator /
Court Investigator

Since the Court has been unable to hire its own CCRC after the retirement of Trinity Superior Court's Child Custody Recommending Counselor/Mediator/Court Investigator, all requests for testimony and/or deposition from Ms. Green or the contracted CCRC's must be coordinated with the service provider directly.

*Each contractor's rate to testify may vary and the contractor is considered a non-retained expert witness.
